

# Wado International Karate –Do Federation

Dear WIKF Friends,

This is the second letter on the trip to Japan in 2020.

On the first letter, there were some questions for the exact dates of the trip

The Olympics will take place on 24/7 to 9/8/2020.

The correct date that karate matches starting is not yet known.

The departure to Japan will then about 2 days in advance to the Olympics Games

Average ticket prices for the events will cost ¥7,000 (£54), according to Nikkei

Shiumbun, a Japanese newspaper, while entry to the opening ceremony will cost anything between ¥25,000 (£191) and ¥150,000 (£1,147).

After karate is done on the Olympic Games will we leave for our further trip to Kyoto

We will go from Tokyo to Kyoto and stay there the rest of the trip

We will stay in a total of 12 days in Japan.

If there are any candidates to go along on this trip please let us know as soon as possible .

Sensei Jon Wicks will start to contact the travel agency and at that time it is important to know the number of participants, for the hotels, transport, and this will certainly have an effect on the price that moment .

More info about the trip will follow.

With our best regards,

Sensei Jon Wicks

Mathieu Beysen-
